

Testify

INTRO: D /// A /// E /// F#m ///

VERSE 1: D A E F#m
Woah, oh, woah, oh, woah, oh, woah, oh
D A
I was a dead man until You found me
E
Caught in the wreckage
F#m
'Til You pulled me out
D
I was blind now I see
A
In Your love I am free
E F#m
So let it speak

CHORUS: D A
I can't help but testify
 E F#m
How You brought me back to life
 D A
I can't keep this hope inside
 E F#m
How You brought me through the night
D A
Woah, oh, woah, oh
 E F#m
I can't help but testify

VERSE 2: Looking through new eyes
Your grace surrounds me
Caught in a landslide
Of all Your glory Lord
I was blind now I see
In Your love I am free
So let it speak

CHORUS: I can't help but testify
How You brought me back to life
And I can't keep this hope inside
How You brought me through the night
Woah, oh, woah, oh
