**VERSE 2:**  
O light that follows all my way  
I yield my flickering torch to You  
My heart restores its borrowed ray  
That, in Your sunshine's blaze, its day  
May brighter, fairer be

**VERSE 3:**  
O joy that seeks me through my pain  
I cannot close my heart to You  
I trace your rainbow through the rain  
And feel the promise is not vain  
That morn shall tearless be

**VERSE 4:**  
O cross that lifts up my head  
I dare not ask to fly from You  
I lay in dust life's glory dead

**And from the ground there comes a breath  
Life that shall endless be  
Life that shall endless be**
