

HUMAN RIGHT (TRUE LOVE)

VERSE 1
Breathe in, breathe out, feel the beat of the heart
we're all human, right? But do we know what for?
We're all broken, hungry, thirsty, and we fear the grave
but the Bread of Life, He says, "Don't be afraid"

CHORUS
Oh we all need True Love
Love has a face in the Son of God
True Love is a human right
So let the whole world know
The Way, The Truth, The Life

VERSE 2
Are we looking upside-down for the right way up?
If we can save ourselves, why do we seem so lost?
Is it just to just be thinking of our flesh and bones?
You can save the world but who will save the soul?

CHORUS
Oh we all need True Love
Love has a face in the Son of God
True Love is a human right
So let the whole world know
The Way, The Truth, The Life

VERSE 3
This is a broken world
Where we can live and die
And never know the Truth
True Love is alive
The Risen Son of God
Hope for the broken heart,
Body, Soul and Mind
So let the whole world
